

THE NEW REVOLUTIONARY HT-1 eSTAND

HyTek Hunting isn't just a brand name, it's WHO WE ARE.

We believe in hunting with the best tools available, to give us that edge in the woods when we need it most. With over 10 years of engineering, we've accomplished something that's never been done before, to effectively provide everyone a chance to hunt from an elevated position safely. Now the *Young* and the *Old* can have a safer hunting advantage from that elevated position. Our dedication to making hunting better & safer for ALL hunters is now complete and available.

HYTEK HT-1 SPECIFICATIONS:

- >> The HyTek HT-1 eDrive carriage & HyTek HT-1 Rail system are made from aerospace grade Aluminum 6061 T6.
